

Notice of Exemption (NOE)

Document Filed With: County Clerk County of Los Angeles, 12400 Imperial Highway, Norwalk, CA 90650			
From (Public Agency):		Los Angeles Regional Interoperable Communications System (LA-RICS) Authority	
Project Title:	LA-RICS Long Term Evolution (LTE) System – Site BUR1-2		
Project Applicant:	LA-RICS Authority, 2525 Corporate Place, #200, Monterey Park, CA 91754		
Facility Name:	Burnt Peak 1-2 (BUR1-2)	Facility Type:	Public
Project Description: (Technical Specifications)	<p>Development of this site would include the collocation of up to 16 LTE panels installed on the existing tower. Up to eight equipment cabinets would be installed at the site, each up to 28 inches wide by 28 inches deep by 72 inches high, mounted together on a new concrete pad. The equipment cabinets would be used to store electronics and batteries for the site. The site would be equipped with up to three (3) each 35kW diesel generator with small belly tank and an up to 300-gallon supplemental fuel tank, also mounted on a concrete pad. Primary power for the site would be provided by a new photovoltaic solar array consisting of up to 450 panels, and related power infrastructure. Other project features could include new block walls or fence up to 12 feet tall surrounding the equipment cabinets, generator, and fuel tank, and an up to 12-foot tall fence surrounding the solar array. Trenching for power and fiber (typically up to two feet wide and up to four feet deep) and installation of lighting, signage, and other ancillary features would also be required. Total ground disturbance for all activity at the site would not exceed 16,000 square feet, of which up to 5,000 square feet would be new impervious surfaces created to support the concrete pad(s) that would support the equipment cabinets, generator, and fuel tank; and concrete post foundations to support the solar panels.</p>		
Jurisdiction Location:	Angeles National Forest	County Location:	Los Angeles
Site Address:	Angeles National Forest - 7N23A0 Burnt Peak Spur, Unincorporated, CA 93532		
Description of Nature, Purpose, and Beneficiaries of Project:	<p>The LA-RICS LTE system is a modern, wireless voice and data communications system designed and built to serve law enforcement, fire service, health service, and public works professionals throughout Los Angeles County. The LTE system would provide day-to-day communications within and among agencies and allow seamless interagency communications when responding to routine, emergency, and catastrophic events. It would emergency responders high-speed access to life-saving multimedia information and would support the National Broadband Initiative. It would support more than 80 public safety agencies represented by approximately 34,000 first responders and 17,000 secondary responders serving more than 10 million residents, tourists, and commuters in the region.</p>		
Name of Public Agency Approving Project:	LA-RICS Authority		
Name of Person or Agency Carrying Out Project:	LA-RICS Authority		
Exempt Status: Categorical Exemptions. CEQA Guidelines Sections 15301, 15303, 15304		Exempt	
Reasons Why the Project Is Exempt:	<p>Categorical Exemption Findings: The project qualifies under Section 15301 because this site includes an existing antenna support structure that would be used to support proposed antennas. The project would not result in any expansion of use of the site because no staff would be required at the site to operate the LTE equipment and operational activities at the site would be limited to routine inspections, maintenance and repairs.</p> <p>The project qualifies under Section 15303 because it consists of construction of a limited number of new, small facilities including equipment cabinets, and a generator with fuel tank. Appurtenant structures would include the solar array, ice bridge, and fencing / walls at the site associated with the LTE build. No new occupied structures would be constructed.</p> <p>The project qualifies under Section 15304 because the project would consist of minor land alteration, and no mature scenic trees would be removed.</p>
